

Disclosure to Participants for Approved Providers

Memorial Hermann Health System

Approval Statement:

Memorial Hermann Health System is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

Disclosures to Participants

Neurodegenerative Diseases: Rehabilitation Foundations (2022)

(Title of education activity)

Requirements for Successful Completion:

Learning outcome: **The Participant will be able to apply the evidenced-based treatments and interventions for persons with Neurodegenerative Diseases seen in the post-acute rehabilitation setting in order to improve quality of life as evidenced by the registered nurse stating intent to change practice as reflected on the post-activity evaluation tool.**

Objectives:

1. Describe the nature and disease course of neurodegenerative diseases and its rehabilitation implications.
2. Discuss the role of the rehabilitation specialist in the management of patients with neurodegenerative disease.
3. Identify the pathophysiologic changes in the neurologic system and the correlating clinical presentation.
4. Critically appraise and integrate the current evidence on principles of neuroplasticity and motor learning.
5. Indicate the importance of evidence based practice and outcome measures as they relate to clinical decisions to promote best practice across disciplines throughout the continuum of care.
6. Analyze and apply recommended standardized outcome measures for the different neurodegenerative diseases across the care continuum across disciplines.
7. Develop and apply a clinical decision making framework implementing the domains of the ICF model based on presented information.
8. Apply the concept of knowledge translation into clinical practice across disciplines.

To receive contact hours for this nursing continuing professional development activity, the participant must:

- Register to attend the course
- Attend the entire course
- Complete the Evaluation

Once successful completion has been verified, a "Certificate of Successful Completion" will be awarded for 8.0 contact hours.

Conflicts of Interest:

The activity's Nurse Planner has determined that the following planning committee member(s) and/or presenter(s)/author(s)/content reviewer(s) have a conflict of interest. Those conflicts of interest have been appropriately resolved.
