Registration Fee: \$200

\*Seating limited to 60 attendees.

### CADAVER LAB AND SKILLS WORKSHOP LOCATION

McGovern Medical School at UTHealth Houston  
6431 Fannin Street, Houston, TX 7730

\*You will be notified via email closer to the date with the exact skill lab location.

### CADAVER LAB AND SKILLS WORKSHOP DESCRIPTION

In collaboration with the award-winning Memorial Hermann Life Flight critical care air medical transport team, this all-day cadaver lab and skills workshop will offer novice to expert providers the knowledge and hands-on experience of advanced procedures. Participants will exhibit competency in a variety of suture techniques, central venous catheter and arterial line insertions, chest tube placements, and difficult airway management via endotracheal intubation and cricothyroidotomy. Additionally, attendees will understand and demonstrate the proper technique to employ point-of-care ultrasonography to evaluate and manage emergent conditions.

### PARKING

Parking is not covered with registration fee.

For parking information, visit:

<https://www.tmc.edu/parking/visitor-parking/>

### EVENT DESCRIPTION

Join us for the 2nd Annual Memorial Hermann Advanced Practice Providers (APP) Conference. This two-day event is intended to bridge the educational gap between APPs and offer a comprehensive care conference that will help advance your knowledge, provide evidence-based practice updates and quality measures. Attendees will have the option to sign up for additional cadaver lab and skills workshop on 6/2/23 at an additional cost.

### ACCREDITATION DETAILS
