

Memorial Hermann Health System Disclosure to Participants

Approval Statement:

Memorial Hermann Health System is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

Title of education activity:

Advancing Clinical Practice in Brain Injury & Stroke Rehabilitation

September 30, 2023 Houston, Texas

Requirements for Successful Completion:

Learning outcome:

The participant will be able to apply evidence-based interventions and treatments for the patient following a brain injury/stroke seen in the post-acute rehabilitation setting in order to improve quality of life as evidenced by the registered nurse stating intent to change practice as reflected on the post-activity evaluation tool.

Objectives:

1. Apply information about medical complications after a brain injury and/or stroke that influence treatment, prognosis, interdisciplinary team approach, and goal setting for clients that have a brain injury and/or stroke.
2. Implement specific team goals and treatment plans to facilitate recovery after brain injury and/or stroke in the post-acute treatment setting.
3. Relate to the impact of TBI on caregivers and situations of ambiguous loss influencing various patient/family encounters.

To receive contact hours for this nursing continuing professional development activity, the participant must:

- Attend the entire course
- Complete the Evaluation

Number of Contact Hours:

Once successful completion has been verified, a "Certificate of Successful Completion" will be awarded for 5.5 contact hours.

Relevant Financial Relationships (Conflicts of Interest):

The activity's Nurse Planner has determined that no one who has the ability to control the content of this nursing continuing professional development activity – planning committee members and presenters/authors/content reviewers – has a relevant financial relationship(s).
