An Interlude at Houston's Oasis of Refined Luxury

Attain global sophistication in the heart of Houston. Our hotel mixes the city's international appeal with Texas southern charm, and our location is woven into the tapestry of our destination's top attractions. The InterContinental Houston is the area's premier, full service, luxury hotel.

Our 22 story, modern, architectural marvel is overflowing with stylish design. Nature connects our open spaces and inspiration was mused from the surrounding Brays Bayou, Hermann Park conservancy, and an international mindset derived from our company's rich cultural history.
